

POWER PROGRAM

MCCC's POWER program is open to qualified students who are currently in mental health or substance abuse recovery. POWER is a free, one-semester class offered in the fall, spring, and summer.

THE COLLEGE'S POWER PROGRAM ALLOWS PARTICIPANTS TO:

- + Earn 2 college credits (at no cost to the student)
- + Gain information about their chosen career and/or educational path
- + Become familiar with the College's student resources and campus life
